Several of their cases which had been court were then investigated. In the case sgainst Rupert, the pro-dure book did not disclose the full occedings, as the law requires. In the suit against Peter Rupert, the summons was endorsed "Paid in full," which the cocedure book did not show. The suit gainst Isaac McCaughen was not entered

case. The core and to had a ranter recollection of MeGe setting with him. The clerk was examining an account, which Mr. Bleecker removed, attaing it that he wanted to know from the court books how these cases had been managed, and not from that account. The procedure book showed, in McGec's case, that a summons had been issued and the case settled. Bleecker—Can you show how much was collected for Rodgers & Co.

Bull—I could tell tell by referring to many private accounts. If this inquiry had not been sprang upon me, I could have looked up things a little.

Bleecker—Did you charge a commission on the mosey collected through court!

Drugs, Medicines. Paints, Oils, Varnich, Putty, Dye Stuffs, Combs, Brushes, Lamps, Tollet Soaps, Sponges, Thermometers, Court 1

Bull—Cannot say, but think I did.

Biccoker wanted this noted. The clerk had credited Rodgers & Co. with \$140 collected, and could not say whether

BEST WHITE COAL OIL

al asked him: Do you remember of a billing your attention to the necessity of a sping a court cash-book?

Bull—Yes; I tried it, but made a seas of it in the very start.

The inspector looked at the book and sid: "You have started like a man on a crutch." He pointed out rome irregularity.

while they rear, having a courts judge. One to judge Latierre told Image and times to give all papers to me. The fire plane of the strengths. All papers to the bailff.

Butler—Frost says it is not all paid this strengths. All papers to be a stren

CHARLES NOLAN'S CHARGE.

h got I had a claim in this court sgainst
Goo. Couley for \$20; got a judgment for in
310; arranged with Bull to give him half
judgment of the couletted it; if not he was to pay
this own costs, told Bull Couley owed me
\$10; sund him, and got judgment for
\$10; sund him a receipt in full.
To Flint—Live in Sidney, three miles in
off; laid no complaint sgainst Bull; Chass.
Butler, ir, and John Black came for me
with a subproas do not know how they
the came aware of it; told Butler three years
got that Bull gave me \$5; there was no
further conversation; have spoken of it
to no one since; was told the other night.

Date gave the total state of the plagment, whatever it was: told him afterwards that he was to have helf the judgment, when the place of the place

FIFTH DIVISION CORT OF THE
COUNTY OF HASTIGS.
Geo. E. Bull, Clerk, charged before
the Inspector with Malfeasance.
A number of charges having been laid
before Mr. J. Dickey, inspector of division courts for Otario, against Geo. E.
Bull, clerk of the fifth division court of
the county of Hastings, that official set
the 28th ult. (Friday last) as the
days of the county of the story or wife?
The complainate were various persons in
the division who cither had had suits in
court or had been sued during the present
the division who cither had had suits in
court or had been sued during the present
the charges were of malfeasance of one kind
or another, many being for suing without
authority, and many others for changing
crossive and unlaryful costs. The complainants were represented at the inquiry
by H. Blecker, of Belleville, while Mr.
Bull's interests were looked after by J. J.
Flint.

Fint.

Charge-Illegal withholding of judgent; excessive costs.

Mr. Stickle sween—Had a claim ainst a Mrs. Fleming; have been acaged in mercantile business; Bull add the account; Butler got the aum-count to serve; he told me Mrs. Flem-ing was creasy, and I told him to return by a summonst pourt; asy Bull after

Birceker — When did you settle with your wife!

Winess—It's none of your business Bleeker asked the inspector to not the question and answer.

Winess—It's none of your business Bleeker asked the inspector to not the question and answer.

Winess—It's none of your business Bleeker asked the inspector to not the question and answer.

Winess—In ever even got the cost on the question and answer.

It aspector—Your wife will have to pay the costs. (Laugehter)

FROST VS. SAYLOR.

Charge—Irregularity in serving; executive costs.

Two different summenses had been served in this case by unauthorized persons, both minors, one a son of the plaintiff, there being two defendants.

Inspector—Sounctimes it is almost necessary to serve a summons by an out sider.

The bill of costs was taxed, and found at the 60 to 605; too much.

Mr. Bull response to the costs, which is (debtor's) property had seen sold for the costs of the costs was taxed, and found at the costs of the

Win. Monigomery survey.—Told electronic since no execution until I ordered it; here yes ordered; wrote to defendant, McCoy, for money four or five months after: he angreed that he hal been sold out that was the first I kinve of the extino having, been issued; never gave either verbal or written instructions concerning on execution.

To Flint—Only wanted to reare offendant; ditu of the month of the second summons.

To inspector—Do not know the difference between a transcript and summons.

Inspector—Much trouble might offen be prevented if the public generally only would inform themselves concerning the vorking of the division court.

Mr. Bull nown—Montgonery in. duced it to \$2, settling on this beam was the clerk.

Complainant had been used by Chan Inspector—That was irregular, as it placed you in the position of adjudicating between the parties.

Sam. McGee, sucd for \$14.40, reduced by offise to \$19.83, similar to preceding the willage, though he lived three miles by offise to \$19.83, similar to preceding case. The clerk said he had a faint recollection of McGee settling with binar collection of McGee settling with binar which Mr. Bleecker removed, stating that the wasted to know from the court books how those cases had been managed, and not from that account.

In a pector—Much troube man, to prevented if the public generally only long an assignment and a seconic working of the division coart.

Mr. Ball siova—Montgomery in trutted me to use McGoy, and and lid having given authority to Mr. Bull; the global control of the coart books how those cases had been managed.

In a pector—Much troube man, to prevented if the public generally only long an assignment and a seconic working that the wasted to know from the court down and the size of the second and the seconic managed.

The clerk was examining an account, which Mr. Bleecker removed, stating that the wasted to know from the court books how these cases had been managed.

In a pector—Much troube man, to prevented if the public generally only long an assignment and a seconic working that the had for division coart.

Mr. Ball siova—Montgomery in truth to have a long truth the book of the cost of cellection from the size of prevented if the public generally only long an assignment and a seconic working that the wasted devision coart.

Mr. Ball siova—Montgomery and long in the miles of the cost of the cost
